

Homework

Summer 2

Miss Baldi's Class

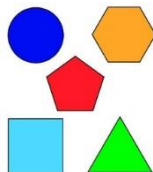

1. Draw a picture of a plant and label the plant parts.

2. Go to the shop and make a fruit smoothie. Write the instructions on how to make it!

3. How many 2D shapes can you name?

4. Make a poster about healthy food.

5. Write a short poem about fruit.

I can see a banana, it
smells like...

6. How many number sentences can you make?

$$10 + 2 = 12$$
