

Book Band Progression

In Foundation 2, the children will start to learn to read and write. They learn through Read, Write, Inc which supports children in the process of recognising phonemes (c), then blending phonemes together (c-a-t.. cat), to eventually reading sentences confidently and then fluently. The book band progression in Foundation works as follows:

| Book Band | RWI Book |
|------------------|---------------------|
| Lilac | Speed Sound Lessons |
| Pink | Ditty Photocopies |
| Red | Red Books |
| Yellow | Green Books |
